"A marvelously, moist cookie for the chocoholic. Quick and easy!"

### INGREDIENTS:

1 (18.25 ounce) package chocolate chip cake mix with pudding	1/2 cup raisins
2 eggs	1/2 cup rolled oats
1/2 cup vegetable oil	1 cup mini semi-sweet chocolate chips

### DIRECTIONS

1. Preheat oven to 350 degrees F (175 degrees C).
2. Mix together the cake mix, eggs, oil, raisins, oatmeal and chocolate chips. Stir well.
3. Drop by teaspoonful onto a greased cookie sheet (Baking stones yield best results). Bake for about 8-10 minutes.
4. Remove from oven and let cool for 1 minute before removing from cookie sheet. NOTE: For even more chocolate, put a large chocolate kiss in the center of each cookie 1 minute before removing from oven.
